AHEAD

AHEAD builds platforms for digital business. By weaving together advances in enterprise cloud infrastructure, intelligent operations, and modern applications, we help enterprises deliver on the promise of digital transformation. Learn more at www.thinkahead.com and follow us on Twitter at [@ahead](https://twitter.com/ahead).

citrix

Citrix (NASDAQ:CTXS) is powering a better way to work with unified workspace, networking, and analytics solutions that help organizations unlock innovation, engage customers, and boost productivity, without sacrificing security. With Citrix, users get a seamless work experience and IT has a unified platform to secure, manage, and monitor diverse technologies in complex cloud environments. Citrix solutions are in use by more than 400,000 organizations including 98 percent of the Fortune 500. www.citrix.com

ConvergeOne

ConvergeOne, formerly NACR, is a leading provider of custom information, communications and data technology solutions and services for any environment, regardless of existing systems. The company is a 10-time Avaya Partner of the year and Top Reseller. As an elite Cisco Gold Partner with Master Collaboration, Cloud, and Security Specialization, ConvergeOne offers solutions in customer experience, collaboration, contact center, cloud, data center and virtualization, enterprise networking, and security. www.convergeone.com

expedient

Expedient helps companies transform their IT operations through award-winning cloud solutions and managed services including disaster recovery, security and compliance, and more. Named VMware's Americas Cloud Partner of the Year and acknowledged in Gartner's Magic Quadrant for Disaster Recovery as a Service, Expedient's solutions and services ease clients' transition to the cloud, enabling them to focus on strategic business innovation while the Expedient team handles operation of the information technology needed to support it. www.expedient.com

Clients rely on HORNE Cyber to build their cyber resilience. HORNE Cyber's offense-oriented approach to cybersecurity uncovers hidden cyber risk and significantly reduces exposure to security threats, allowing clients to stay compliant with ever-growing regulations and use technology as a lever for growth. For more information: www.hornecyber.com

We're partners in transformation. We help customers activate ideas and solutions to take advantage of a new world of opportunity. We are a team of 80,000 strong, working with over 6,000 customers, including 80% of the Fortune 500 across North America, Europe and Asia. As an industry leader in Full-Stack Technology Services, Talent Services and real-world application, we work with progressive leaders to drive change. That's the power of true partnership. TEKsystems is an Allegis Group company. www.teksystems.com

The Southeast Transportation Workforce Center (SETWC) at the University of Memphis Herff College of Engineering is one of five regional centers of excellence that together comprise the National Network for the Transportation Workforce (NNTW). SETWC has a broad transportation workforce agenda, but also provides specific expertise related to diversity in transportation, transportation operations and freight transportation workforce development. The NNTW is dedicated to advancing research and best practice to move the needle related to transportation workforce issues. The Federal Highway Administration (FHWA) founded the NNTW and each of the regional centers via a competitive grant process. For more information about SETWC and to view the playbooks, visit www.memphis.edu/setwc

World Wide Technology (WWT) is a technology solution provider with \$12 billion in annual revenue that provides digital strategy, innovative technology and supply chain solutions to large public and private organizations around the globe. While most companies talk about delivering business and technology outcomes, WWT does it. Based in St. Louis, WWT employs more than 6,000 people and operates over 4 million square feet of warehousing, distribution and integration space in more than 20 facilities throughout the world. www.wwt.com
